

The following is a list of suggestions for the Environmental Responsibility Team that were made by family members during the 2024-25 survey project.

All family members are invited to review the list and send your input to the Environmental Responsibility Team by 9/15/25 at may-environ@googlegroups.com or, if you prefer, to each member of the Environmental Responsibility team at their own email. Feel free to cc the Family Council if you want to. There will be a family zoom meeting in October 2025 to follow up on this topic and wrap up the surveys project – details to follow via email/CBRenovation.

Suggestions for the Environmental Responsibility Team

1. Have a discussion among team members to decide whether or not the team wants to continue to exist after the landscaping project at CB is done, which members want to continue on the team, and who would be the team leader. (Note: Talia has told us she'd like to be removed from the team. Jenny has told us that she is open to the idea of someone else taking over leadership of the team. Joan has said she'd like to step away, but can stay for a while longer if needed).
2. If the Environmental Responsibility team and the Cedar Beach team both approve, members of the ER team would consider the following suggestions raised by family members in the survey:
 - Research clean and safe tick abatement options and share that info with the CB team.
 - Research current Town of Southold trash and recycling rules, update that information annually, and post that information where family members and guests can see it.
 - Make bulk purchases of household items with input from family members, focusing on environmentally friendly products that are acceptable to most family members, funded by the Cedar Beach account if the CB team approves it.
 - With input from family members and the Cedar Beach team, identify items at Cedar Beach and around the property that are no longer in use and arrange for those items to be removed responsibly. Possibly do this annually or every few years.

*This list has been shared with the Cedar Beach Team.
